

LIST OF COMPOUNDS FOR AVOCADO – AVO1

| Compound | Compound | Compound |
|----------------------|-----------------------------|---------------------------------------|
| 2,4'-DDD | Clomazone | Fenobucarb |
| 2,4'-DDE | Cloquintocet-mexyl | Fenoxaprop-ethyl |
| 2,4'-DDT | Cyanazine | Fenpropimorph |
| 4,4'-DDD | Cyanophos | Fensulfothion |
| 4,4'-DDE | Cyflufenamid | Fenthion |
| 4,4'-DDT | Cyhalofop-butyl | Fenvalerate (including Esfenvalerate) |
| Acetochlor | Cyhalothrin | Fipronil |
| Acrinathrin | Cypermethrin | Fluacrypyrim |
| Alachlor | Cyproconazole | Fluazifop-butyl |
| Aldrin | Cyprodinil | Flucythrinate |
| Allidochlor | Deltamethrin (Tralomethrin) | Fludioxonil |
| Ametryn | Diazinon | Flumiclorac-pentyl |
| Anthraquinone | Dichlobenil | Flusilazole |
| Atrazine | Dichlofenthion | Flutriafol |
| Azaconazole | Dichlofluanid | Fluvalinate |
| Azoxystrobin | Dichloran | Fonofos |
| Benalaxyl | Dichlorvos | Fosthiazate |
| Bendiocarb | Diclobutrazol | Furalaxyl |
| Benfluralin | Diclofop-methyl | Haloxypop-etotyl |
| Benodanil | Dicrotophos | Haloxypop-methyl |
| Benoxacor | Dieldrin | Heptachlor |
| alpha-BHC | Diethofencarb | Heptachlor endo-epoxide |
| beta-BHC | Difenoconazole | Heptachlor exo-epoxide |
| delta-BHC | Diflufenican | Heptenophos |
| gamma-BHC (Lindane) | Dimepiperate | Hexachlorobenzene |
| Bifenthrin | Dimethenamid | Hexaconazole |
| Bromacil | Dimethoate | Hexazinone |
| Bromobutide | Dimethylvinphos | Iodofenphos |
| Bromophos-ethyl | Dioxabenzofos | Iprobenfos |
| Buprofezin | Diphenamid | Iprodione |
| Butachlor | Diphenylamine | Isazophos |
| Butamifos | Dithiopyr | Isofenphos |
| Carbaryl | Endosulfan I | Isoprocarb |
| Carfentrazone-ethyl | Endosulfan II | Lactofen |
| cis-Chlordane | Endosulfan sulfate | Leptophos |
| trans-Chlordane | Endrin | Malathion |
| Chlorfenapyr | EPN | Metalaxyl (Mefenoxam) |
| Chlorfenvinphos | Esprocarb | Methacrifos |
| Chlorobenzilate | Ethalfuralin | Methiocarb |
| Chlorothalonil | Ethion | Metolachlor |
| Chlorpropham | Ethoprophos | Mevinphos |
| Chlorpyrifos | Etoxazole | Molinate |
| Chlorpyrifos-methyl | Etrimfos | Myclobutanil |
| Chlorthal-dimethyl | Famphur | Napropamide |
| Chlozolinat | Fenchlorphos | Nitrofen |
| Clodinafop-propargyl | Fenitrothion | Nitrothal-isopropyl |

| Compound | Compound | Compound |
|-------------------|------------------------|-------------------|
| Oxadiazon | Prometryn | Tecnazene |
| Oxyfluorfen | Propachlor | Tefluthrin |
| Paclobutrazol | Propazine | Terbacil |
| Parathion-ethyl | Propham | Terbufos |
| Parathion-methyl | Propiconazole | Terbuthylazine |
| Penconazole | Propoxur | Terbutryn |
| Pendimethalin | Propyzamide | Tetrachlorvinphos |
| Permethrin | Prothiofos | Tetraconazole |
| Phenthoate | Pyraflufen-ethyl | Tetradifon |
| Phorate | Pyrazophos | Thenylchlor |
| Phosalone | Pyributicarb | Thiobencarb |
| Phosmet | Pyrimethanil | Tolclofos-methyl |
| Phosphamidon | (E)-Pyriminobac-methyl | Transfluthrin |
| Picolinafen | (Z)-Pyriminobac-methyl | Triadimefon |
| Piperonyl-utoxide | Quinoxifen | Triadimenol |
| Piperophos | Quintozene | Tri-allate |
| Pirimicarb | Simazine | Triazophos |
| Pirimiphos-methyl | Simeconazole | Trifloxystrobin |
| Procymidone | Simetryn | Trifluralin |
| Profenofos | Tebuconazole | Vinclozolin |
