Hill Labs may share anonymised data to contribute to national eDNA data sets. If you do not want your data to be shared, tick here: ☐ *Do not share my data*

ADDITIONAL INFORMATION / KNOWN HAZARD

As per Section 44 and 46 of the Biosecurity Act 1993, if the presence of any notifiable organisms are detected in your samples, Hill Labs must report these results to the Ministry of Primary Industries. This reporting includes sample location and DNA sequence data. Client details will only be shared with client's permission, or if we are required by law to do so. Hill Labs will provide sample extracts to MPI on request.
